

2019 R2OC Scholarship Application Process

As the **Rock River Robotics Off-season Competition (R2OC)** celebrates its seventh anniversary in 2019, the R2OC board and committee is excited to announce the **R2OC Scholarship Application Process**, which is eligible to high school students whose team is competing in the 2019 R2OC. **Four (4) scholarships in the amount of \$1,000 each** will be awarded to the winning applicants during the competition on Saturday, July 27.

To be eligible for these scholarships, the applicant must be a 2019 or 2020 graduating student who will be attending post high school education institutions (college, community college, university, technical school) during the 2019-2020 or 2020-2021 school year. For winning applicants, R2OC will award a check written, in the name of each winning student, to his or her appropriate school account. *Previous winners are ineligible to apply.*

To be considered for one of these R2OC Scholarship opportunities, please return this completed form and include: (1) two essays responses to the below questions (Word document or PDF); (2) a copy of your resume; and (3) two letters of recommendation with name, organization he/she represents, phone number and email address. **All of this information is required for any application to be considered.** Please refer to the website for tips on submitting a successful application.
